MEDICAL COLLEGE FOR WOMEN & HOSPITAL

INTRODUCTION

Bangladesh, a developing country burdened with a huge human cargo, is uniquely placed to harness her human resource potential to the benefit of its people through effective restructuring of the existing health care delivery system with major shift towards primary health care approach.

Medical College for Women & Hospital is a Non Government Organization. Establishment of such an institute will assist mobilization of resources for health manpower development for solving national problems through basic and applied research and by encouraging self-reliance in women population.

This program will give a good profile of talents of female student in technical field by proving their better performance in medical education in a separate environment. This college will have a research cell in each department with good facilities for female graduates who can give more time in this field.

AIMS

The aims of the Medical College for Women & Hospital is to teach specially selected female candidates for five academic years according to the syllabus laid down by Bangladesh Medical and Dental Council (BMDC) for MBBS degree to be conferred by the University of Dhaka, Bangladesh and then impart training of closely supervised internship for one year to create high quality career doctors for the nation.

OBJECTIVES

1. Introduction to newly designed community oriented medical & dental education including MBBS course.
2. To arrange training course for nurses, paramedical & medical social workers.
3. To provide postgraduate students, training and research leading to certificate of diploma, degree, doctorate and post doctorate degree for strictly limited number.
4. To meet the responsibilities of providing preventive as well as curative health care to the people of Bangladesh.
5. To inspire to develop the essential character qualities, strong sense of righteousness and a basic desire to serve the suffering humanity.

Governing body of the college:

Prof. A. M. Mujibul Haq MBBS, DTM&H (Edin), M.Phil(Leeds), MRCP(Lon), FRCP(Lon) Chairman-Projects (MHWT) & Member-Trustee (BOT) Educationist, Dhaka University	Chairman
Prof. KGM Iqbal MBBS, FCPS, FRCS Principal Ex-officio	Member Secretary
Prof. Dr. Nazma Shaheen, PhD. Educationist Dhaka University	Member
Prof. Dr. Aftab Uddin Ahmed Educationist Dhaka University	"
Two member Nominated by academic council, Dhaka University	"
Prof. Dr. Naseema Sultana Dean, Faculty of Medicine Dhaka University	"
One member From The Ministry of Health and Family Welfare, Bangladesh	"
Prof. Md. Monowarul Islam Sarker MBBS, MCPS, DFM (DU) Teacher's representative	"
Prof. Md. Obaidullah Khan Wahedi MBBS(BD), DCH (Hon's) Ire, MSc.(ECD), MRCP (UK), MRCPC (UK), FRCP(Edin) Teacher's representative	"
Dr. Md. Abdul Majid Parent's representative	"
M. M. Firoze Ahmed Parent's representative	"
Prof. A. Q. M. Badruddoza Choudhury MBBS, TDD(Wales), FRCP(Edin), FRCP (Glas), FRCP(Lon) Founder representative	"

Academic Council:

The academic council is composed of the following:

- | | |
|---|------------|
| (i) Principal, MCW&H | - Chairman |
| (ii) All head of the departments | - Member |
| (iii) All full Professors | - Member |
| (iv) Hospital Directors, MCW&H will be Ex-Officio | - Member |

Location

The college and hospital have several units located at different areas as shown below:

- (1) Main college building, hospital and Students hostel are located at Plot-4, Road-8/9, Sector-1, Uttara Model Town, Dhaka-1230.
- (2) Another hospital named Uttarkhan General Hospital is located at Uttarkhan, Uttara, Dhaka-1230.
- (3) 2nd building (Proposed Modern Hospital) is at Plot-2, Road-15, Sector-1, Uttara Model Town, Dhaka-1230.
- (4) 3rd building (Nursing Institute) is at Plot-2, Road-16, Sector-3, Uttara Model Town, Dhaka-1230.
- (5) 4th building (Student Hostel-2) is at Plot-16, Road-12, Sector-1, Uttara Model Town, Dhaka-1230.

ADMISSION PROCEDURE

Eligibility for Admission (Session: 2017-2018)

Eligibility for admission in MBBS/BDS course in Bangladesh Govt. and private Medical & Dental Colleges is approved by the Ministry of Health & Family Welfare (Medical Education Unit). Bangladesh govt. has formulated the following requirements for admission in MBBS/BDS course in the Govt. & private Medical & Dental colleges.

1. For MBBS course - Eligibility of candidates are as follows:

- (a) Students who have passed SSC in 2015 and HSC in 2017 or 2014 and 2016 respectively and should have total GPA 9.00 (minimum requirement of GPA in SSC or HSC is 4.00 in each examination). GPA 3.50 in Biology at HSC Level is compulsory for all students.
- (b) Students having O level & A level qualifications and foreign students having similar or equivalent qualifications should apply with certificate of equivalence issued from the Director General, Health Directorate, Govt. of the People's Republic of Bangladesh.
- (c) For foreign students will have to arrange attestation of their SSC(SSE) & HSC(SSCE) equivalence certificate & mark sheets from their foreign ministry and submit their papers through Bangladesh Embassy in concern countries.
- d) In case of national/foreign students admission will be invalid if any document is found to be false or wrong, before or after admission. No extra foreign national students will be admitted in excess of the number already specified by the govt. of Bangladesh.

2. Admission will be made on the basis of results of the under mentioned examination:

- (a) Written test according to current syllabus of HSC course will be held in MCQ system and this examination will include Physics, Chemistry, Biology, General Knowledge: Physics-20, Chemistry-25, Biology-30, English-15, General Knowledge-10 = Total 100 Marks. In written admission test 0.25 marks will be subtracted for each incorrect answer.

b.

25 x GPA HSC =	125 (Maximum)
15 x GPA SSC =	75 (Maximum)
Total Marks:	200

Dr. Saw Huat Seong, FRACS, Consultant Cardiothoracic Surgeon of Mount Elizabeth Hospital, Singapore awarded the position of (Hon.) Professor of Surgery (Cardiac) in Medical College for Women & Hospital.

Migration & Break of study

There is no scope for migration. Arbitrary break of study will not be allowed. The right of expulsion on disciplinary grounds will be reserved by the Board of Trustee on recommendation of Academic and Disciplinary Council of the college.

Cancellation of Admission

Once admission in 1st year MBBS class is completed there is no scope for refund of money except caution money whether Dhaka University registration is obtained or not as the student has blocked the opportunity of a student to become a physician.

Stipend

Poor and meritorious students will be considered for exemptions of fees as per instruction given by the Government. Candidates will be selected by the GB on the basis of merit and financial condition of students such as income of parents, permanent and temporary assets of parents, etc. Other charges will remain same as general students. In case of failure in professional examination, this facility will be withdrawn from date.

Hostel Facilities

There are two hostels to accommodate the students of this medical college. One hostel is located with in premises of the college building at Road-8, Sector-1, Uttara and another one at Plot No. 2, Road No. 16, Sector-3, Uttara. Hostel seats are available for all foreign students as well as Bangladeshi students. Especially foreign student's block is facilitated with air conditioner on extra charge. For smooth running, Hostel superintendents and other staff are appointed in both hostels. Any student seeking an accommodation in the hostel will apply in writing. All students should abide by the hostel rules and regulations. For any misconduct, the authority can cancel the hostel seat.

Guest room facilities

There are eight well decorated guest rooms in college premises. Foreign student's female guardians and female externals can reside in those rooms for short period on payment.

Other facilities

1. To create medical scientists, the college provides every kinds of research facilities under the guidance of Medical Research Unit (MRU).
2. To recognize the academic success, the college organizes an academic award giving ceremony every year.
3. To explore the knowledge, college authority organizes the study tour locally as per curriculum every year successfully.
4. Applicants of USMLE (United State Medical Licensing Examination) and MCI (Medical Council of India) are getting official assistance through online.
5. It is our pride that the college is internationally enlisted to IMED (International Medical Education Directory), which provides the eligibility for higher studies all over the world.
6. The students have got facility of indoor health club, and indoor games within the campus.
7. Moreover, the college organizes various cultural programs and events for the students round the year, such as, pohela boishakh, academic seminars, etc

MEDICAL EDUCATION UNIT

Fundamental of quality of health care is the education and training of the doctors who deliver that care. Quality assurance as the totality of systems, resources and information devoted to maintaining and improving the quality and standards of teaching, research and the students learning experience. Quality assurance involves monitoring of teaching, learning and assessment methods being practiced at the medical institutes. To help members of staff with their personal development the college make available an on-going programme of faculty development concerned with teaching and learning, assessment and evaluation, educational media, research methodology, research and technical writing, management and information technology. These programmes are offered locally by the Medical Education Unit. The academic council considers as required the views of staff on the operation of scheme and makes appropriate recommendation.

JOURNAL

Medical college for Women and Hospital publishes journal, "JMCWH" every six months regularly. Journal of Medical College for Women and Hospital is recognized by BM&DC and is also registered with ISSN register.

INSTRUCTION FOR THE STUDENTS

11. Students residing in college hostel will have to abide by the Hostel rules and regulations. Any violation of the hostel rules will be dealt with cancellation of seat.
12. Cost of damage or loss to College/Hospital/Hostel property is liable to be realized from students found responsible for the loss or damage.
13. Students are expected to maintain social and religious harmony.
14. Parents/Guardian will be informed about student's academic records time to time.

CONCLUSION

The college aims at improving medical education producing doctors of international standard and health care delivery with the present day concept of community oriented medical education and training which will have relevance to the need of the country. It is intended to bridge the gap between the need and resource for the development of Female Education maternal and child welfare and other research to assist the government in its health program.

GENEVA DECLARATION (1948)

1. I solemnly pledge myself to consecrate my life to the service of humanity.
2. I will give to my teachers, the respect and gratitude which is their due.
3. I will practice my profession with conscience and dignity.
4. The health of my patient will be my first consideration.
5. I will respect the secrets, which are confided in me.
6. I will maintain by all means in my power, the honour and the noble traditions of the medical profession.
7. My colleagues will be my brothers.
8. I will not permit considerations of religion, nationality, race, party politics or social standing to intervene between my duty and my patient.
9. I will remain the utmost respect for human life from the time of conception.
10. Even under threat I will not use my medical knowledge contrary to the laws of humanity.

I make these promises solemnly, freely and upon my honour.
